

Labourer – Site Services

-  **Location:** True North Mine, Bissett, Manitoba
-  **Job Type:** Full-Time
-  **Company:** 1911 Gold Corporation
-  **Schedule:** 7 days on / 7 days off, 12-hour shifts, 6:00 a.m. to 6:00 p.m.

Position Overview

1911 Gold is currently seeking one Labourer – Site Services to support the daily operation and maintenance of surface infrastructure, camp services, and general site functions across the property. This is a hands-on role focused on housekeeping, grounds maintenance, material handling, and general labor tasks that contribute to safe, efficient, and compliant mining operations.

The Labourer – Site Services plays an important role in maintaining site cleanliness, functionality, and overall operational support.

Key Responsibilities

Site Services and General Labor

- Perform general labor duties in support of site services operations
- Assist with upkeep of surface infrastructure, buildings, and common areas
- Support basic repairs and maintenance activities as directed
- Assist Site Services Operators with daily tasks and projects

Housekeeping and Camp Support

- Maintain housekeeping standards in camps, offices, dry facilities, and work areas
- Perform waste collection, disposal, and recycling in designated areas
- Support sanitation and cleanliness expectations across the site

Roads, Walkways, and Grounds

- Assist with maintenance of roads, walkways, yards, and surface areas
- Perform snow removal, sanding, shoveling, and seasonal grounds work
- Maintain safe access to work areas, including roadways leading to key site locations

Material Handling

- Assist with loading, unloading, and transporting materials and supplies
- Help deliver materials and supplies to designated areas across site
- Support warehouse and site services teams with manual handling tasks

Safety, Environmental, and Compliance

- Follow all 1911 Gold Health, Safety, Environmental, and Operational policies and procedures
- Participate in pre-task hazard assessments (FLHAs) and toolbox meetings
- Identify and report hazards, near misses, and unsafe conditions
- Use required personal protective equipment (PPE) at all times

Communication and Teamwork

- Take direction from Site Services Operators, Lead Hands, and Supervisors
- Communicate clearly with team members and other departments
- Maintain a positive, cooperative, and safety-focused attitude

Qualifications and Experience

The successful candidate will demonstrate a strong work ethic, reliability, and the ability to perform physically demanding work in an outdoor industrial environment.

Previous experience in labor, housekeeping, maintenance, construction, camp services, or mining environments is considered an asset.

A commitment to safety, teamwork, and maintaining a clean and organized work environment is essential.

Equity, Diversity & Inclusion

1911 Gold Corporation is committed to fostering an inclusive, respectful, and diverse workplace. Accommodations are available upon request throughout the recruitment process.
